

**The Chartered Management Institute Level 3 Certificate in First Line Management
for the Paper and Print Industries**

Development Matters Ltd is an accredited provider of management qualifications through the CMI and is offering members of the paper and print industries a tailored qualification that will result in successful candidates achieving the Level 3 Certificate in First Line Management.

To achieve this qualification, candidates must accumulate a minimum of 13 credits from a suite of modules offered by the CMI. During consultation with a number of organisations within the industry, the top three priorities for management training were identified:

- **Developing Individuals and Teams**
- **Management Communication**
- **Being a Leader**

This Certificate Programme will therefore consist of three 2-day modules, each focusing on one of these subjects.

The programme will be held in:

**The Business Innovation Centre
University of Warwick Science Park
Harry Weston Road
Binley
Coventry
CV3 2TX**

To achieve the number of credits and to qualify for the certificate, candidates must attend all three modules and will be assessed by submitting a written assignment following each module.

The cost of the programme will be £900 per candidate. In addition, each candidate or their company will need to pay a CMI registration fee of £100. All prices are subject to VAT.

Dates:

Module 1 – Developing Individuals and Teams	7/8 October 2009
Module 2 – Management Communication	18/19 November 2009
Module 3 – Being a Leader	6/7 January 2010

There are only 12 places on this course, so please book early.
