

## The Core and Specialist Programmes for the Paper and Print Industries

Paper Matters, a division of Development Matters Ltd, has worked in consultation with members of the UK's paper and print industries to update its Introductory Programme which has been running successfully for the past 5 years. We have listened to what the industries want and have redesigned the programmes to reflect organisational needs within the current economic environment.

We have launched two new programmes: for NEW ENTRANTS into the industry, The Core Programme; and a Specialist Programme aimed at NEW and EXPERIENCED STAFF, offering more advanced development. Each unit will be delivered by experienced and qualified trainers and group sizes limited to 12 delegates.

Candidates may choose to attend one, two, three or all four of the Core Programme Units. Successful completion of an individual unit will result in the candidate gaining a **CORE MODULE AWARD**. Those choosing to complete all 4 will receive a **CORE PROGRAMME CERTIFICATE**.

Candidates completing individual units from the Specialist Programme will gain a **SPECIALIST MODULE AWARD**, and on completion of three units, will gain a **SPECIALIST PROGRAMME CERTIFICATE**.

The cost for each candidate is **£200 for a 1 day programme**, or **£400 for a 2-day programme**. All costs are subject to VAT.

To book place(s) on these programmes, please contact:

For find out the nearest venue please contact us.
