

Module 12 Procurement Strategy and e-procurement

Dates: 30 March 2010
29 June 2010
16 November 2010

Location: The Link Room
Antalis Ltd
Gateway House
Interlink Way West
Coalville, Leicestershire LE67 1LE

Trainer: Neil Gordon

Suitable for:

Senior purchasers who need to create or manage a supply base for a large amount of print.

Learning outcomes:

On completion of this unit, delegates will be able to:

- Identify suitable procurement strategies which fit with business needs.
- Describe the advantages and disadvantages to the organisation of implementing an e-procurement strategy.
- Devise appropriate documentation in line with approved procurement strategies.
