

Module 5 Supplier Evaluation and Management

Dates: 2 March 2010
6 May 2010
28 September 2010

Location: The Link Room
Antalis Ltd
Gateway House
Interlink Way West
Coalville, Leicestershire LE67 1LE

Trainer: Neil Gordon

Suitable for:

All staff who are involved in managing or selecting suppliers, but especially those who have responsibility for the day to day management of a supplier, including buyers and team leaders.

Learning outcomes:

On completion of this unit, delegates will be able to:

- Manage internal and supplier expectations.
- Set suppliers clear goals.
- Measure supplier performance throughout the value chain.
- Evaluate suitable suppliers.
